1. Contact Information

Please fill out only the information you would like us to know. Consider sharing your occupation if you are interested in being a potential contact for someone looking for employment in your field.

2. Financial Giving

We know giving, whether to Spirit Garage or somewhere else, is an important spiritual discipline that helps you grow in faith. Your giving to Spirit Garage keeps the Big Door Open for others to come to faith. If you would like to share a tithe or offering, please fill out the response card, or sign up for Auto Giving. This helps Spirit Garage plan for the year ahead. Know that you can adjust your giving as needed throughout the year.

Consider using a Tithing Chart to discover what percentage you are currently sharing and consider growing your giving by one or more percentage points *(Available in the lobby during worship).*

3. Ministries & Small Groups

While financial gifts are an important part of keeping the Spirit Garage motor running, it is not the only fuel we need. The ministry of Spirit Garage happens because of the grassroots work of the Spirit Garage community. We know each person is God-Gifted in wonderful and unique ways. We want to partner with people as they use their time, energy, and talents in service to God and in our world. We have many incredible ministries at Spirit Garage, and we would love to help you get involved. Simply check a ministry that you are interested in, and we will contact you about how you can put your gifts to work. Don't see a good match in the provided list? Select "other" to let us know your ministry idea.

The other benefit to being active in a ministry is that you are making yourself known and have the opportunity to know others — that is what it means to be in community!
